

Evidence of psychosocial disability form

NDIS applicant's name: _____

Date of birth: _____

NDIS reference number (if known): _____

Section A To be completed by the applicant's psychiatrist, GP, or the most appropriate clinician.

Section A completed by: _____

Qualifications: _____

Organisation/Practice: _____

Contact number: _____

1 Presence of a mental health condition

I have treated the applicant since _____

I can confirm that they have a mental health condition.

☐ Yes ☐ No

Diagnosis (Or, if no specific diagnosis has been obtained, please briefly describe the mental health condition.)	Year diagnosed

Has the applicant ever been hospitalised as a result of the condition(s) above?

☐ Yes ☐ No

☐ Hospital discharge summary attached

Or, if hospital discharge summary is not available, please list hospitalisations in the following table.

History of hospitalisation	
Dates of admission	Hospital name

2 Impairments resulting from the mental health condition

An impairment is a loss of, or damage to, a physical, sensory or mental function (including perception, memory, thinking and emotions).

Please review the completed section B of this form. Are the impairments described consistent with your clinical opinion and observations?

- ☐ Yes ☐ No (If no, please explain the discrepancy in the space provided below, and describe the impairments in 2A.)

2A OPTIONAL: In the table on the following page, please describe the impairments that the applicant experiences. The impairments must be directly attributable to the mental health condition/s listed, and be experienced on a daily basis. You do not need to complete all domains.

Please consider:

- the applicant's impairments over the past six months (or longer for people with fluctuating conditions)
- what the applicant can and cannot do in each domain
- the applicant's needs without current supports in place
- the type and intensity of current supports.

Please give examples where possible, and write n/a if there are no impairments in a domain.

Domain	Description of the impairments present
Social interaction <ul style="list-style-type: none"> • Making and keeping friends • Interacting with the community • Behaving within limits accepted by others • Coping with feelings and emotions in a social context. 	
Self-management Cognitive capacity to organise one's life, to plan and make decisions, and to take responsibility for oneself, including: <ul style="list-style-type: none"> • completing daily tasks • making decisions • problem solving • managing finances • managing tenancy. Are there any community treatment orders / guardianships / financial administrations in place?	
Self care Activities related to: <ul style="list-style-type: none"> • personal care • hygiene • grooming • feeding oneself • care for own health. 	
Communication <ul style="list-style-type: none"> • Being understood • Understanding others • Expressing needs • Appropriate communication 	
Learning <ul style="list-style-type: none"> • Understanding and remembering information • Learning new things • Practicing and using new skills 	
Mobility Moving around the home and community to undertake ordinary activities of daily living requiring the use of limbs.	

3 Confirmation of likely-to-be-permanent impairments

The applicant has tried the following treatments for the condition/s listed.

☐ Treatment summary attached

Or, if treatment summary is not available, please list treatments in the following table.

Medication, treatment or intervention (includes non-pharmacological supports)	Date started	Date ceased	Effect on the impairments				
			Effective ○	Partially effective ○	Not Effective ○	Unsure ○	Not tolerated ○
			Effective ○	Partially effective ○	Not Effective ○	Unsure ○	Not tolerated ○
			Effective ○	Partially effective ○	Not Effective ○	Unsure ○	Not tolerated ○
			Effective ○	Partially effective ○	Not Effective ○	Unsure ○	Not tolerated ○
			Effective ○	Partially effective ○	Not Effective ○	Unsure ○	Not tolerated ○
			Effective ○	Partially effective ○	Not Effective ○	Unsure ○	Not tolerated ○
			Effective ○	Partially effective ○	Not Effective ○	Unsure ○	Not tolerated ○
			Effective ○	Partially effective ○	Not Effective ○	Unsure ○	Not tolerated ○
			Effective ○	Partially effective ○	Not Effective ○	Unsure ○	Not tolerated ○

Are there any known, available and appropriate evidence-based clinical, medical or other treatments likely to remedy the impairment/s?

☐ Yes ☐ No

Please explain.

Do you consider that the applicant's impairment/s, caused by their mental health condition/s, are likely to be permanent?

☐ Yes ☐ No

4 Further information

I have attached existing reports or other information that may support the NDIS application.

☐ Yes ☐ No

Please list any attachments and add any comments, explanations or further information.
